**Gatehouse Ventures Selects NexTec Group and Sage MAS 500 as their Premier Solution**

***NexTec Group Provides Gatehouse Ventures with Sage MAS 500 as the Fully Integrated Financial and Inventory Management Solution that Leverages the Full Capabilities of their Growing Needs***

**New York, NY – January 14, 2008** – NexTec Group is excited to announce that Gatehouse Ventures, LP headquartered in Philadelphia, PA, has chosen Sage MAS 500 as their new business management solution. NexTec Group and Gatehouse Ventures are very excited to start the implementation project of Sage MAS 500.

Gatehouse Ventures is in the business of making other companies successful. With over 30 years of combined financial and managerial expertise, Gatehouse Ventures lifts the performance of their partner companies by implementing growth initiatives, consummating corporate acquisitions and executing corporate financings. Gatehouse Ventures will use Sage MAS 500 to meet and exceed these specific business requirements.

Chris Jansen, Managing Director for Gatehouse Ventures, stated, "We are very pleased to announce our selection of NexTec Group to implement Sage MAS 500 at Gatehouse Ventures. Nextec Group came to us with a powerful level of knowledge that made our decision very easy. Overall, we believe Nextec Group is the right partner with the right solution to help us achieve our next level of success. We plan to capitalize on this relationship by creating further growth for Gatehouse Ventures, our current partner companies, and those companies we seek to partner with in the future."

Andrew Nunez, General Manager for NexTec Group, says, "We are very excited for this unique opportunity to provide Gatehouse Ventures with Sage MAS 500. Gatehouse will take advantage of OLAP (On-Line Analytical Processing) and other Business Intelligence applications as well as giving them the ability to respond to their growth both tactically and strategically. Couple that with outstanding resources on both sides and we possess a well rounded, sophisticated, working relationship. We're very excited about our new relationship with Gatehouse Ventures and are dedicated in implementing and supporting Sage MAS 500."
