

NexTec Group Is Awarded Accounting Technology's VAR 100 List for the Fifth Consecutive Year

*Accounting Technology Magazine Recognizes NexTec Group for Industry Leading
Technical Consulting Practices and Services for the Fifth Consecutive Year*

Seattle, WA—April 23rd, 2009 – [NexTec Group](#), a national provider of [Microsoft Dynamics GP](#), [Microsoft Dynamics SL](#) and [Sage MAS 500](#), was named to Accounting Technology's "VAR 100" list for the fifth consecutive year. The VAR 100 lists the top 100 resellers by revenue for 2008 which NexTec Group ranked 25th overall. The top 100 are chosen from organizations that center their practices on the sale and implementation of mid-market accounting software. These organizations own the lion's share of this business out of the thousands of competing companies and firms that compete in this market. The organizations were listed in the magazine's April 2009 issue.

"This has been a difficult year for much of the economy. But many of these businesses have not only weathered the storm, but improved upon their financial results for 2007," says Robert W. Scott, editor of Accounting Technology and author of the popular twice-monthly electronic newsletter, Consulting Insights.

"We are honored for being recognized as a leader in our industry for the fifth consecutive year for Accounting Technology's VAR 100," said Eric Frank, President, NexTec Group. "We continue to live up to our founding principles: take care of our clients and take care of our people. It speaks volumes to the entire NexTec Group team's continued focus on assisting our customers to successfully use the ERP systems that we sell, implement and support," adds Eric Frank, President, NexTec Group.

"We're deeply honored and we thank all of our great clients, quality partners and dedicated team at NexTec Group for making our continued success possible", concludes Eric Frank, NexTec Group.
