LIMITS

Surviving the next Audit and Tax Season

Avalara

Avalara makes tax compliance faster, easier, more accurate, and more reliable for 41,000+ business and government customers in over 75 countries. Tax compliance automation software solutions from Avalara leverage 1,200+ signed partner integrations across leading ecommerce, ERP, and other billing systems to power tax calculations, document management, tax return filing, and tax content access.

Velixo

Founded in 2017, Montreal, Quebec by Gabriel Michaud, a former General manager at Acumatica Labs, Velixo is a multi-award and fast-growing software company operating worldwide, with a distributed team and thousands of customers across the world. Velixo is on a mission to accelerate businesses' transformation through meaningful outcomes and efficiencies.

BEYOND LIMITS

Beyond Limits is an industrial-grade, hybrid artificial intelligence company built for the most demanding sectors. Beyond traditional AI, Beyond Limits' unique Hybrid AI technology combines numeric techniques like machine learning with knowledge-based reasoning to produce actionable intelligence.
